### THE HANDBOOK - 2021

#### 1. OBJECTIVE

Our objective is to promote change ringing at St. Bartholomew's Church Great Gransden and ensure that the bells are rung when required for church services and other occasions.

#### 2. OFFICERS

The officers of GGCBR are:

Tower Captain

Deputy Tower Captain

Secretary / Treasurer / Steeple Keeper

#### 3. MEMBERSHIP

All regular Sunday service and / or practice night ringers at the tower are considered members of GGCBR.

("regular" means those ringers who frequently ring for Sunday services or frequently attend practices, who are not members of any other tower in the area)

#### 4. FINANCE

GGCBR holds and maintains its own funds. These are owned jointly by the members and are not part of church funds although details of the year-end balance are provided to the church treasurer upon request.

The bank account is held at Lloyds Bank Ltd., Huntingdon.

A simple majority of members (see section 3) is empowered to make decisions on tower finances. Monies received go into the fund for the

maintenance of the bells, teaching and training materials and tower maintenance and improvement.

The financial year ends on 31<sup>st</sup> December.

The accounts are independently examined before being presented to the Ringer's Annual General Meeting (AGM).

## **5. STEEPLAGE**

There is currently no request to the ringers for donations towards the ringing activities and associated costs.

## **6. FEES**

### **• WEDDINGS**

The amount charged to ring for weddings is reviewed from time to time at the AGM. The decision is passed to the PCC for ratification.

The fee is made up of an amount for each ringer and the remainder for Great Gransden Bell Fund.

### **• PEALS & QUARTER PEALS**

The "rope fee" for peals and quarter peals is reviewed from time to time at the AGM.

## **7. RULES**

There is no constitution or any written rules. This handbook reflects the current process of managing the tower.

The Tower Captain leads ringing activities and associated business. Any member may make suggestions or recommendations, and these are discussed. Every effort is made to keep members informed of actions taken.

## **8. SAFETY**

A risk assessment has been carried out for all activities which take place in the tower. This is reviewed annually.

Safety in the tower is the responsibility of all the ringers.

Safety requirements are explained to new ringers and where appropriate to visitors to the tower.

Members only go beyond the Ringing Room if they are aware of the safety requirements of the area of the tower being visited.

## **9. PRACTICE NIGHTS**

Practices are on Thursdays from 7.30 to 9.00pm.

During each practice at Gransden notices are announced to keep members informed of ringing activities and times. This is also an opportunity to discuss tower matters.

## **10. CHILDREN**

The church operates a Safeguarding Policy which is adhered to by the tower captain and trainers, who receive guidance from the PCC's Safeguarding Co-ordinator.
